65 points available (32.5 max. in each subject) allocated proportionately from zero though top-performer's score.

Largest gain in ELA=15.8, in math=34.0. Max.25 points distributed in proportion to gains; gains in each subject treated equally. Losses = negative points.

Points (max. 5 each category) awarded proportionately, with top-performer awarded maximum points. Attendance data from '04-'05 (mean used for schools w/o data that year); violence data from '05-'06

Schools with ≥70% students in poverty **and** avg. of NYS tests pass rates ≥55% awarded a 10% bonus.
